Gilpatric Memo to Ch/JCS, D/NRO
Subj: Opnl Aspects of the NRO
Ref: C/JCS memo to SecDef 2 May 63 (File CM 542-63)

Agreed in principle with org arrangement recommended by DNRO and concurred in by JCS.

Requested to be informed of final JCS/DNRO concurrence on JRC -- att. Terms of Reference for NRO/JCS Aircraft Ops Center (AOC)

JRC to run AOC also Satel Ops Center (SOC).

Gilpatric wants Satellite recon R&D to remain with NRO even in war time.

Requested JCS to inform DNRO of any established and approved R&D requirements for realistic employment of satellites for recon in central and limited wars which in opinion of JCS are yet to be fulfilled or would require different implementation.

NRO review(s) completed.
